Basketball Practices

The schedule for basketball practices during Christmas break will be posted on the website by the end of the day tomorrow.

Thank You!

Last Tuesday, many of you joined us for a great evening of Christmas music. We want to thank you for joining us and also for your generosity in the offering of \$2400 that was taken. Several of the staff have expressed their appreciation for your thoughtfulness during this time of year. We hope each of you enjoy these upcoming days with family and friends.

Directories

In order to foster good communication regarding school events and activities, a directory of WCCS families has been published. If you are in need of one please contact the school office.

Hot Lunches

As a reminder, the hot lunch forms that were recently sent home are for the new year when we return to school. Also, we could still use another volunteer for the hot lunch program, please contact Stephanie DiSipio or the school office if you would be able to help.

Hot Chocolate Reminder

Tomorrow morning, December 21, the Junior class will be braving the elements to provide famished students and parents with a cup of hot chocolate and a donut for a dollar starting at 7:30am. Stop by, and enjoy a morning snack, and help the juniors as they raise money for their class.

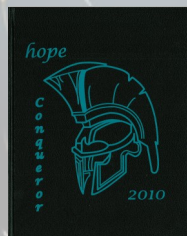

Chapel Schedule

Band Concert (9am) 12/21

2009-2010 Yearbook

The 2009-2010 yearbook is now here and will be going home today.

Christmas at Chick-fil-A

Tomorrow night, December 21, WCCS will be sending eight students down to the Concord Township Chick-fil-A to provide vocal and instrumental music at the request of the management there. Our students will be there from 5-7p.m. if you'd like to join us. The address is 20 State Farm Drive, Glen Mills, PA 19342.

Musical Accomplishments

Recently, WCCS had four students audition for district band. We want to congratulate both Ben Gingery and Brandon Weldon for earning the first and second chair trumpet positions respectively. As well, we want to congratulate Alyssa Blackstone who recently won an instrumental competition conducted by the Kennett Symphony.

Student Council Christmas

Last Friday, the Student Leadership Council put together a great chapel for the secondary students, and we'd like to thank them for their work. They created and led a game of "Christmas Jeopardy." Along with a variety of questions, students and teachers also got to participate in a few Christmas activities involving the composition of new Christmas "songs," Christmas in other countries, and Christmas decorating competitions. Throughout the game, each grade did well at different points; however, the final score was much closer than we could have anticipated. After final jeopardy, the seventh and eighth grade team managed to accumulate \$4500 while the junior class earned \$4501! Congratulations to the juniors!
