# Congratulations!

On Tuesday, January 25th, ten students in grades 4-8 competed in our annual Geography Bowl. In the final round, Kia Nwadiora won first place by correctly answering that Mt. Kilimanjaro is the highest peak in Africa. Congratulations Kia!

That same week on Friday, January 28th, eleven students did an excellent job in the spelling bee. In the thirtieth round, Marshall Lentz won the bee by spelling "facetious." Congratulations Marshall!

Additionally, we want to congratulate Ben Gingery and Brandon Weldon for earning top spots in district orchestra, district band, and now regional band! We'll keep you posted on their continued advancement in these endeavors. Congratulations Ben and Brandon!
